Live Oak Middle Club News

FCA

We would like to thank everyone for all their support for our FCA club. This year we have enrolled over 650 students. We are proud of their dedication. Remember--FCA members only--FCA crawfish Boil is May 9th. Thanks and God Bless.

Library Club

Thank you to all the library club members who took the time to come out to the YMCA Family Fun Day to help with concessions.

Spanish Club

Our field trip is coming up on April 25th. Details will be given soon! We would like to say a very big "MUCHAS GRACIAS" to all the families who came out to support our fundraising efforts at the YMCA Family Fun Day on March 1st. Mrs. Spence and Mrs. Crain would especially like to thank the Spanish Club members and their friends who helped to make our "Buddy Pictures" and "Tattoos" booth a success! We couldn't have done it – and we certainly wouldn't have had nearly as much fun – without YOU!

Tech Club

The Techies will be going on their annual camping trip to Tickfaw State Park on April 17th. Thank you to everyone who sold for the fundraiser, especially Mr. Childres!

Dear Parents & Students,

I am proud of our Live Oak Middle students for successfully making it through their week of testing, and I am confident that our students did their very best. Please remember that, although testing is over, school is not over yet. There are still lessons to be learned in our classrooms every day. Students, be prepared for class. Parents, help your child succeed in school by encouraging good character and responsibility. Together we will make this a great school year.

Sincerely,

Freddie M. London
