Principal's Corner - Mr. Fred London

Dear Parents & Students,

We would like to take this opportunity to remind you about the Livingston Parish Public School's policy on male hair length. It states that:

"Male hair length must be of even distribution. The hair may not extend below the plane of the shoulder nor down upon the eyebrow in front, nor down below the earlobes. Hair must be clean, well-groomed and neat at all times. (Lines cut in the hair, shaven hair, "mohawk" cuts, extreme coloring of hair, "tails" or any other hairstyle which interferes with a student's performance or that of his classmates is prohibited.)"

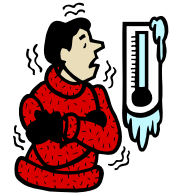

Students who do not comply with this policy will be sent home until their hair meets these standards. Thank you for your support and consideration regarding this matter.

Sincerely,
Freddie M. London

The worksheet must be turned in on Thursday, February 5, 2009. This assignment will be graded. Students who attend school instead of Job Shadowing will be completing work in class that will also be graded. Wii Gaming

Parents:

A new year has started and, with it, more chances to win another Wii Gaming System. One lucky student won the Wii Gaming System in December and I'm sure the student had a wonderful holiday playing it. Could that be your child this summer? Students have four opportunities between January 5th and May 15th to get their name entered into the drawing. Encourage and help your child have perfect attendance. Thank you for your help and support.
