Principal's Corner - Mr. Fred London

Dear Parents:

I would like to thank the community for their support of Live Oak Middle and all of the other schools in our district. We have so much going on, and we are proud of all the things that you do. We have fundraising, football, sixth grade girls' basketball, and so much more. We could not do it all without the help of the community.

Parents, remember that October 16th is report card day and parent/teacher conference day. Be sure to schedule a conference with your child's 5th hour teacher.

We would like for you to keep encouraging your children to do their very best in school and to study hard to achieve their goals. Thanks again for all that you do!

Sincerely,
Freddie M. London

*Parent/Teacher Conference Day *Report Card Day

Parents, make sure you sign up for a conference with your child's 5th hour teacher. The deadline to sign up for a conference is October 8th. Reminder notices will go home on October 14th. Conferences will be held on October 16th. You will receive your child's report card at this conference.

If you are unable to attend on October 16th, please schedule a phone conference with your child's 5th hour teacher.

8th Grade Pictures

8th graders - There are a few spots remaining in the baby section of the yearbook. Make sure your full name and homeroom teacher's name are written on the back of the picture. Pictures must be turned in to Mrs. Rutherford (Room 303) and will be returned to you in April or May. Don't forget we have a May book delivery date. Get your picture to Mrs. Rutherford before it's too late!

Daylight Savings Time Ends
November 1st!

6th Graders Take On Beta Club at Live Oak Middle School

Live Oak Middle School Beta Club welcomes sixth graders into this honors club for the first year.

The first act of business was to elect the officers. Congratulations to the following officers:

- President - Brett Frazier
- Vice-President - Haley Miller
- Secretary - Savannah Hall
- Photographer - Madison Chapple

The Beta Club of Live Oak Middle School will be performing many services for our community including providing treats to the faculty and staff of our school.

We look forward to having a wonderful year.

- by Savannah Hall

Tech Club

Tech club is about us learning about technology that we use today. We use some sort of technology every day. Some examples of technology are a television, a computer, or even a cell phone. Our president this year for Tech Club is David Sasser. Our vice-president is Kade Freeman. Our secretary is Justin Watson, and our photographer is Catie Rutherford. Last year, the Tech Club took a behind-the-scenes tour of the "13th Gate," and the tour guide showed us many different uses of technology. In all, Technology Club is very fun and has interesting things to learn about.
